Hands-on activities, lively discussions and equipment skills development
allow students to engage and discover:

- Kitchen safety
- Sanitation/hygiene
- Competition Training
- Fruits & vegetables
- Salads & sandwiches
- Desserts
- Eggs & breads
- Meats & sauces
- Pasta & baking
- Plating
- Cooking methods
- International cuisines

Learning comes alive in the kitchen classroom, where kids mix math,
simmer science, and taste geography.

Kids will remember this for the rest of their lives!

Chefsville is an educational non-profit delivering programs connecting cooking with math, science, language arts and social studies.

Sensitive program health and nutrition topics: This program educates about high blood pressure, diabetes, heart disease and high cholesterol. Discussion points include how the medical industry prescribes medication and how eating foods will help lower risks of these and other medical issues. In addition, students will learn how their body digests food and connects to their senses. Please see instructor immediately if topics are sensitive. As students may only pick up part of this information there will be no refunds allowed once program has started.

Gathering Health Information on Participant: I understand that during the course of participating in the Chefsville Kids programming that personal health information about my child may be collected as permitted for the purposes of (a) Identifying known food allergies, intolerances, dietary restrictions and medical conditions and contact information for the family doctor, should it be necessary; and (b) planning, monitoring and evaluating this program. I consent to the collection, use, and sharing of personal health information about my child by the staff and volunteers of Chefsville. I understand that statistics about this program may be included in annual reports to the community published by Public Health Services, as required or permitted by law. I acknowledge that I have read and understand this consent, and that I may withhold my consent or withdraw my consent at any time by providing written notice.

Media pictures and videos release: I further give consent allowing myself and/or my child(ren) being in pictures and videos used to promote this program without pay to me. The pictures or videos may be taken and used without my knowledge or payment to me or my heirs, and current or future representatives.

Liability Waiver and Release: I also waive any claim against **Chefsville**, their agents, servants, insurers and employees, and hereby release them from any claim, cause of action or demand I may have arising out of or in connection with any personal injury or bodily injury, death or property damage which I, my child, my children, those children under my care and direction, may sustain during the Program. The Program, not licensed by Texas, may meet in a Licensed or an exempt facility. Cooking in nature can be a dangerous activity. This indemnification shall include, but not be limited to liability settlements, damage awards, costs, and attorney's fees associated with any such claims. By my signature on this Liability Waiver, I bind my heirs, and current or future representatives, and myself to the terms and conditions of this Liability Waiver.

Cancellation prior to program start date shall be refunded less \$75. No refunds after program starts. Students with ADD/ADHD should be medicated.
