

Wylie ISD Parent Gradebook Access Enrollment Form

WISD is pleased to announce the implementation of Assess+, our electronic grade book, created by WISD, for WISD. An exciting feature of Assess+ is Parent Access, which provides registered parents of WISD students the ability to monitor the grades and attendance of their students.

Parent Access is only available for grades 2-12. Students in grades Pre-K, K and 1 receive a hard copy report card based on mastery of individual skills. Although students in grades 5-12 have on-line access to their grades, the Parent Access feature will be much more informational as additional features are added.

Steps to register:

- 1) Review the Parent Acceptable Use Policy at <https://xview.wylieisd.net/xview/info/aup.aspx>
- 2) Bring the following to one of your child's campuses:
 - This completed form
 - Your Texas Driver's License or state issued ID

Note: To protect the integrity of student information, you must be listed as a contact on the student enrollment form.
