ATTN Board Members: Because your district, not TASB, is the official keeper of record for your continuing education credits, you should report any errors or missing training credits to your superintendent's secretary rather than to TASB.

ATTN District Personnel: If you have revisions or additions to the training detail contained in this report, please follow the instructions below.

1. If information already listed on the report needs to be revised, the district recordkeeper should mark the necessary change on the report itself and fax it to TASB. Please allow 30 days for TASB to post the changes.
2. If TASB training took place that is not listed on the report and it has been at least 30 days since the training, the recordkeeper should fax TASB a copy of the certificate or credit/scantron form provided at the event. If training documentation has been lost, fax TASB the name of the board member, name and date of the event, name of each session attended and the number of credit hours earned for each session. Please allow 30 days for TASB to post the changes.
3. If non-TASB training took place that is not listed on the report, the recordkeeper should submit the credit on-line.
