

**UIL**  
**An Exciting**  
**Opportunity**

Dear Families,

Harrison Intermediate is proud to offer your child an opportunity to participate on a University Interscholastic League (UIL) academic team. Students are encouraged to try out for the teams based on their interests and strengths. The Harrison Intermediate teams will compete with teams from Draper Intermediate and Davis Intermediate at a district-wide competition on February 24, 2022.

Each team will consist of four students. On the back of this letter you will find the categories and tryout dates/times. Tryouts will be held the week of November 1-5, either before or after school. If your child is staying after school to tryout, they **MUST** have a ride promptly at the time stated on the tryout sheet (below). Once event teams are determined after tryouts, the days and times of event team practices will be communicated out to students on the club board in the main hallway. Teams will be announced on November 10 on the announcements and posted on the club board in the main hallway. Practices will begin the week of November 28th either before or after school. We look forward to seeing our Harrison students excel in the academic events in February.

**STUDENTS MAY ONLY TRY OUT FOR 2 EVENTS TOTAL!**

Thank you for encouraging your child in all academic opportunities!!

Ms. Shannon Trout  
UIL Academic Coordinator  
Harrison Intermediate School
