

Meet the TEACHER

A FEW OF MY FAVORITE THINGS

- ♥ My family!
- ♥ Sweet tea
- ♥ Sweet Iced Coffee
- ♥ Cooking
- ♥ Target
- ♥ Gardening
- ♥ New Restaurants

A LITTLE ABOUT ME

My name is Alicia Seeton. I am a graduate of Wylie High School myself, AHMO! I received my bachelor's degree from East Texas Baptist University and my master's from The University of North Texas. This will be my 10th year teaching and I am SO excited to be teaching the Transition To Life level 2 class! My passion is making sure that every student and their family has the tools they need in order to be as successful as possible when they leave Wylie ISD. I truly believe the students I get the privilege of working with have and will continue to change the world for the better! I promise to always keep your child first and to advocate as hard as I can to make sure they get what they need. I hope you are ready for the best year yet! Please do not ever hesitate to reach out if you have any questions or need additional assistance from me.
