Follow @WEHS Blue Print

Blue Print is the online student-produced news publication of Wylie East High School advised by Ms. Kim Creel. The site hosting costs are funded through advertising sales. Advertisers are greatly appreciated, as they make the publication and the program possible. The Blue Print website is updated daily. The newspaper staff must have the ad copy at least 14 days prior to the publication date. A refund will be issued if the Blue Print is responsible for an error, but in no event will the publication be liable beyond the cost of an individual insertion.

Sponsorships

If you do not have a business to advertise, but would like to donate to the Wylie East High School newspaper program, we will gladly print your name in our print newspaper, *The Raider Reader*, as a sponsor.
