Choosing Your Preferred Schools

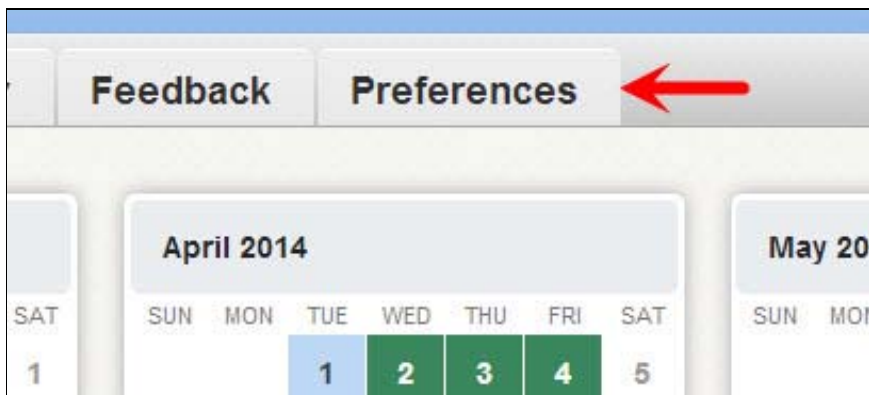

Last Updated: Jul 28, 2014 04:55PM EDT

Aesop gives you the option to choose a list of schools that you want to work at and choose a list you prefer not to work at.

If you are a new substitute, you will see jobs at all schools by default. If you are ok with this, you do not need to change any settings here.

Get to the "Preferred Schools" list by clicking the **Preferences** tab on the home page.

Click the **Schools** option in the side bar on the "Preferences page". At the top of the screen, you

will be able to choose if you want to the list of schools to be where you want to see jobs or where you don't want to see jobs. Click the circle for the option you want to choose.
