# Employee Acknowledgement of the Alliance Direct Contracting Program

I have received information that tells me how to get health care under my employer's workers' compensation coverage. If I am hurt on the job and live in a service area described in this information, I understand that:

1. I must choose a treating doctor from the Alliance list of doctors designated as treating doctors.
2. I must go to my treating doctor for all health care for my injury. If I need a specialist, my treating doctor will refer me. If I need emergency care, I may go to any licensed medical professional within the United States.
3. Even though my treating doctor should refer me to a specialist of providers contracted with the Alliance, I understand that I need to verify that the referral doctor is a member of the Alliance provider panel.
4. The Texas Association of School Boards Risk Management Fund will pay the treating doctor and other Alliance providers for all health care related to my compensable injury.
5. I understand that my medical and/or income benefits may be disputed if I receive health care from a provider other than an Alliance provider without prior approval from the Fund.
6. Making a false or fraudulent workers' compensation claim is a crime that may result in fines and or imprisonment.
7. If I want to change doctors after my first choice, I can do so within the first 60 days of starting treatment, and I can only choose from the Alliance list of providers. A third choice requires approval from my adjuster.

## EMPLOYEE CHOICE TO USE PAID LEAVE WITH WORKERS' COMPENSATION BENEFITS

Name \_\_\_\_\_ Employee number \_\_\_\_\_

Position \_\_\_\_\_ Department/Campus \_\_\_\_\_

**Employee Choice:**

I am absent from duty because of a job-related illness or injury. I understand that I am not eligible for workers' compensation weekly income benefits until my absence exceeds seven calendar days. I also understand that the district will continue to pay its contribution toward the cost of my group health insurance coverage (if applicable) as long as I am on **paid** leave and/or family and medical leave (FMLA). I further understand that I will be responsible for paying all health insurance premiums if I am on **unpaid** leave that is not FMLA leave. I choose the following option:

- I choose to use only \_\_\_\_\_ days of available paid leave at this time.
- I choose to use all available paid leave. I understand that I will not receive workers' compensation weekly income benefits until I have exhausted all of my paid leave or to the extent that paid leave does not equal my pre-illness or pre-injury wage.
- I choose **not** to use any available paid leave at this time. **I understand that I will not receive any regular salary payments from Wylie ISD while receiving weekly income benefits under workers' compensation.** No available paid leave will be deducted from my leave balance. I further understand that by selecting this option, I will only receive workers' compensation wage benefits for any absences resulting from my work-related illness or injury, unless and until I communicate to the district a change in my decision.
