2. Jurisdiction

Who is Subject to the Extracurricular Code of Conduct?

Any student who participates in one or more extracurricular activities is subject to the Extracurricular Code of Conduct (ECC). A student is subject to the ECC from the time he/she is selected for, elected to, or otherwise joins an extracurricular activity and continues to be subject to the ECC from that point forward unless or until the student no longer participates in extracurricular activities.

When Does the Extracurricular Code of Conduct Apply?

The privilege of representing the School District carries with it a greater responsibility to conduct oneself with respect and dignity, and to serve as a role model for all students. Consequently, extracurricular activity participants are expected to comply with the ECC at all times, regardless of location. This includes both on and off-campus conduct as well as evenings, weekends, holidays, and summer vacation.

3. Conduct Expectations

What is Expected of Extracurricular Activity Participants?

Participants in extracurricular activities are representatives of the School District, and must conduct themselves in a manner that reflects positively on the School District at all times. Specifically, they must:

- < Maintain an average of 70% or better in all academic courses, except as provided in District policy FM (Legal);
- < Be punctual and prepared for all games, practices, meetings, performances, camps, and/or other scheduled events related to an extracurricular activity;

Note: Students placed in DAEP are ineligible to participate in or attend extracurricular activities pursuant to Texas Education Code § 37.006(g).

5. Consequences

Category A Violations:

First Offense:

The student will be suspended from participation for up to 30 days and will be placed on a behavior contract.

Second Offense:

The student will be suspended from participation for up to 60 days and will be placed on a behavior contract for 4 school weeks.

Third Offense:

The student will be suspended from participation from **all** extracurricular activities for the remainder of the school year. If the violation occurs within 3 school weeks of the end of the current school year, the student will be suspended for the remainder of the current school year and the entirety of the next semester, including any extracurricular activities or events during the summer months.

Fourth Offense:

The student's participation in **all** extracurricular activities will be revoked for the remainder of the time the student attends that campus, or any other Wylie ISD campus serving the same grade levels as the campus the student currently attends. For example, the remainder of the student's high school career.

Definition: "weeks" means school weeks, but also includes any non-school weeks in which an extracurricular competition or event occurs, such as camps during the summer or on school holidays.

Category B Violations:

First Offense:

The student will receive a verbal warning and reprimand and will be directed to refrain from future violations.

Second and Third Offenses:

The student will be suspended from participation for 2 school weeks and will be placed on a behavior contract for 4 school weeks.

Fourth Offense:

The student will be suspended from participation from **all** extracurricular activities for the remainder of the school year. If the violation occurs within 3 school weeks of the end of the current school year, the student will be suspended for the remainder of the current school year and the entirety of the next semester, including any extracurricular activities or events during the summer months.

Fifth Offense:

The student's participation in **all** extracurricular activities will be revoked for the remainder of the time the student attends that campus, or any other Wylie ISD campus serving the same grade levels as the campus the student currently attends. For example, the remainder of the student's high school career.

Definition: "suspension" means that the student will not be permitted to participate in any competition, contest, scrimmage, performance, or election associated with an extracurricular activity. The student may continue to participate in practices.

Note: An extracurricular activity participant starts each school year with a clean slate, unless he or she had participation in extracurricular activities revoked during the previous school year, in which case that revocation continues from year to year. In addition, any consequences that were assessed during the prior school year for which the student owes additional suspension or behavior contract time must still be completed. For example, a student who was suspended from participation for 4 school weeks during the last week of school may have an additional 3 weeks of suspension to complete beginning with the next school year.

6. Procedures

Who Determines that a Violation of the ECC has Occurred?

The activity sponsor or coach will determine whether a violation of the ECC has occurred and will assess the appropriate consequence.

How will Consequences be Assessed for Different Violations of the ECC?

Consequences for violating the District's ECC are assessed based on the severity of the violation and the commission of prior ECC violations.

Is a Student Entitled to Participate in Extracurricular Activities?

No. Participation in extracurricular activities is a privilege, not a right. As such, a student's participation may be revoked at the District's discretion.

If a Student Receives ISS/OSS on the day of a performance/game/activity, can the student participate in the performance/game/activity that day?

No. A student receiving ISS/OSS, may not participate in a performance/game/activity that day.

How Will Parents be Notified that a Violation of the ECC has Occurred?

Parents will be notified of all violations that result in suspension from participation in extracurricular activities. The activity sponsor or coach will contact the student and the student's parent via telephone or face-to-face conference within 5 school days from the time the activity sponsor or coach learns of such a violation. At this time, the activity sponsor or coach will inform the parent and student that a violation of the ECC has occurred, discuss with them the applicable consequences, and give the student an opportunity to respond to the allegations.

What if a Parent Does Not Agree with the Decision?

All appeals will be addressed through the District's complaint process, contained in policies FNG (Legal) and (Local). A decision of the Wylie ISD Board of Trustees regarding an extracurricular activity complaint is final and is not appealable.
