

SHAC-School Health Advisory Council Meeting

Monday, February 12, 2018

6:30 pm Educational Service Center

Minutes

1. Old Business

- a. Parent Night-Drug Awareness-Presented by the Collin County Drug Coalition. There was decent attendance and good questions.**
- b. Aim For Success Presentation-Parent night program opportunities on the schedule for March. The Wylie Council of PTAs will support one of the programs and the other program will be supported by a grant.**

The program will be presented to freshmen only with the parent night first.

2. New Business

- a. Healthier US School Challenge presentation: Liz Kown, Wylie ISD Student Nutrition.**
All elementary schools are going to be submitted at the Bronze level by the end of March to Region X for approval. Then to the Texas Department of Agriculture and finally then to the US Department of Agriculture. Will know the results by August.
- b. Fitness Gram presentation: Angela Haskins, PE Teacher-Hartman**
Fitness Grams are state based tests for grades 3-12. Will talk with the Asst. Athletic Director, Ron Johnson, to see if the tests can be made uniform. Physical activity ties to how well students do on their testing.

- c. **Kids Teaching Kids Recipe Demo Day Sign up**
This is our 4th year collaborating with the Culinary, Graphic and Audio High School students. Recipe Demo Day will be March 2 from 3:00-4:30 p.m. at Café 544. Need parent and kids to judge. Sign up if interested.
- 3. Next Meeting: April 9, 2018**
- a. **Wellness Plan Status Update.**
 - b. **District Improvement plans.**
