

SHAC-School Health Advisory Council Meeting

Monday, April 9, 2018

6:30 pm Educational Service Center

Minutes

1. Old Business

- a. Kids Teaching Kids Demo Day went very well. This a program that is has no cost to the district. The annual report will be presented to the School Board next year.**
- b. The Healthier US School Challenge was been turned into Region X for approval. From there, it will move on to the Texas Department of Agriculture before reaching the US Department of Agriculture.**
- c. We are in year three of the 21 Day Challenge. Six schools qualified for \$500.00 for their P.E. program.**

1. New Business

- a. There was discussion about moving the SHAC meetings to during the day for next year. An email will be sent out to the SHAC members with more information on this.**
- b. Consideration of Action for Healthy Kids School Index for next year. Using a modified school index that would streamline and simplify the Campus Improvement Plans. In addition, the Healthier Generation program will be looked at as well.**
- c. The Local Wellness plan will continue with the goals and objectives.**

2. Next Meeting: Fall of 2018

Meeting adjourned
