A Message from our Principals...

The BEARS back the BLUE!!! We are SO excited about tomorrow's "BLUE OUT" event at BES!! We are asking all students, staff, parents and grandparents to **WEAR BLUE on Friday** in an effort to show our support for the Wylie Police Department. We will have Wylie PD officers here at Bear Boogie starting at 1:45 p.m. Not only will they join in on a little "boogie", but the Bears have something special to present to these outstanding men and women. **THANK YOU** to everyone who has donated snacks for the Wylie Police Department. We are looking forward to gifting them with these sweet treats. See you all at **Bear Boogie on Friday @ 1:45 p.m.** Don't forget to **WEAR BLUE!** ☐

Proud to be a Birmingham Bear! ☐ Mrs. Doolan-Principal & Mrs. Kishindo-Assistant Principal ☐

Counselor's Corner Hello Bears!

As of this Friday, I have officially been to every classroom to teach guidance! It has been a pleasure being with the students since guidance is one of my favorite parts of my job.

The past three weeks we have been talking about one of the Wylie Way Core Values; Respect and Responsibility. Kinder and 1st grades worked on listening skills with the We Do Listen curriculum and Howard B. Wigglebottom. There are fun lessons on the We Do Listen website that would be beneficial to watch at home as well. We will visit the website several times this school year. In 2nd grade we read the book The Brand New Kid by Katie Couric and discussed treating each other with kindness and respect. I hope they enjoyed meeting Lazlo Gasky from the story! Lastly, in 3rd and 4th grades, we read one of my favorite books for the beginning of the year; Have You Filled a Bucket Today? If you haven't read this book, it is a great one about treating all of those around us with respect by what we do and what we say. Ask your 3rd or 4th grader about the difference between being a bucket-filler and a bucket-dipper. I hope to see a lot of bucket-filling this school year!

See you next week!! Mrs. Ray

Campus Happenings... BNN is brought to us this week by the following student crew members:

Alexys Burns	Nicholas Adams	Brianna Blakely
Colton Davis	Raegan Frantz	Dante Dean
	Jerry Freeland	

From Watch Me Sculpt:

Watch Me Sculpt has begun! Don't forget to register your child. There are no longer flyers coming home with your children so you need to go to www.watchmesculpt-texas.com or Peach Jar to register! This session we will be making Elsa and Inside Out characters along with many other fun projects. We look forward to another great year with your amazing kids!

From the Library...

It's almost time for our Book Fair!! This is a great event that allows students to purchase their favorite books, and it raises funds for new books for our library and classrooms. It's great fun – but it also needs a LOT of helping hands to be successful. Information was sent home with each of our Bears about volunteer needs for this event. Please consider what you might be able to do to help make this the BEST Book Fair ever! Completed forms can be returned to your child's teacher, and they will make sure I receive them. Thank you in advance for any help you are able to offer!

Happy Reading!! Mrs. West

EXCITING NEWS!! We will be pre-selling the newest **DIARY OF A WIMPY KID – BOOK 10** at our Book Fair! Come on by for an order form!

Books will be shipped to our school November 2.

Notes from Nurse Kara...

Each year, an average of 20,000 children younger than 5 years are hospitalized because of flu-related complications. Influenza causes more hospitalizations among young children than any other vaccine-preventable disease. The single best way to protect against seasonal flu and its potential severe complications is for children to get a seasonal influenza vaccine each year. Flu vaccination is recommended for all children aged 6 months and older. Making healthy choices at school and at home can help prevent the flu and spreading flu to others.
