## A Message from our Principals...

THANK YOU to all of our visitors that joined us on Monday for Thanksgiving lunch!! We are grateful for our BES families!!! Speaking of being grateful, I wanted to take this opportunity to thank each one of you for your love and support for the Birmingham Bears! THANK YOU! Our success is a team/family effort, and YOU play an important role on this team and in this family! ☺ Attention all Bears!!! Next week, November 23-27 is Thanksgiving Break! Enjoy time with your families and reflecting on all the wonderful things that you are grateful for each day! Have a wonderful week off!! See you bright and early on Monday, November 30th!!

Proud to be a Birmingham Bear! ☺ Mrs. Doolan-Principal & Mrs. Kishindo-Assistant Principal ☺

Hello Birmingham Bears!

Our final Canned Food Drive results are in and our campus collected a grand total of 6,506 non-perishable food items!! Thanks for all your generosity in supporting the Wylie Christian Care Center so that they may fill the pantries of those in need!

Tomorrow, Friday, November 20<sup>th</sup>, is the day to stop by my office to pick up an angel for the Wylie Way Christmas gift drive. If you have not received an angel and would like to participate, please call or stop by to see how you can help a child in our community.

If you have already picked up your angel, please remember that all unwrapped gifts are due by Friday, December 11<sup>th</sup> in order to be ready for pick up the following day.

I hope all of our Bear families have a wonderful Thanksgiving Break with their loved ones!

See you in December! ~Katie Ray

## Campus Happenings...

BNN is brought to us this week by the following crew members:

Analya Contreras	Ariana Sanchez
Axel Guerra	Emily Fowler
Kamiah Jacobs	Marcelo Villegas
Yosef Habtwold	

This week's Animoto presentation is by Bella Carten and Nicholas Adams.

## From the Library...

It's almost time to turn in our YELLOW cards! Make sure you come to the library before our break starts so you can get some great reading material to enjoy over vacation!

Don't forget – if you read something GREAT and want to tell everyone about it, I have recommendation cards in the library!

I wish a wonderful Thanksgiving for each of my Bears and their families. I'm so very thankful for all of my wonderful readers!!

Happy Reading! Mrs. West

tical to keeping everyone as healthy as possible. Healthcare professionals recommend that children stay home until they're recovered enough to go back to school, typically about 24 hours after symptoms improve. This helps not only to protect the child's health, but also to prevent the spread of the virus to other children.

## Do not send your child to school if they are ill with:

- Fever of 100 degrees Fahrenheit or higher, or any condition that presents with fever - students will be excluded until they are fever free for 24 hours without the use of fever suppressing medications
- Diarrheal illnesses - students will be excluded until they are diarrhea free for 24 hours without the use of diarrhea suppressing medications
- Vomiting, especially if accompanied by symptoms, such as headache, fever, stiff neck, disorientation and sleepiness- students will be excluded until they are symptom free for 24 hours
- Painful muscle spasms and stiffness of head, neck, and jaw
- Undetermined rash over any part of the body
- Undiagnosed scaly patches on the body or scalp
- Red, draining eyes

Thank you for your help in keeping our children healthy.
